FEE AGREEMENT**

Most of the information concerning fees is found on the form “patient’s responsibilities.” However, certain key elements are as follows:

Telephonic Therapy sessions are part of a private practice that does not accept insurance. In certain cases your insurance company may reimburse you for part of this cost. You must check with them because LCO does not handle billing for clients.

You do not have to have a Pay Pal Account in order to use the payment button on this screen. They will automatically generate a receipt for your payment. If your insurance company does cover telephonic services this receipt can be used for reimbursement purposes. If additional information is needed LCO will provide a general receipt via email.
